

PRIMARY CARE NETWORK PAIN ROUNDS

Opioid Tapering: Part 2

Dr. Lori Montgomery

Physician, AHS Calgary Pain Program

Clinical Associate Professor, Departments of Family Medicine
and Anesthesiology, Perioperative and Pain Medicine, University of Calgary

Tuesday, September 28, 2021
1730-1845h MT

[REGISTER HERE via EVENTBRITE](#)

Who should attend?

Family physicians, registered nurses, nurse practitioners, pharmacists, rehabilitation or mental health professionals, and any other interested members of the team.

Primary Care Network Pain Rounds is a forum to help PCN physicians and teams stay up to date on current science and clinical practice in pain assessment and management. Sessions will occur every 2 months and cover a wide range of pain-related topics.
