### NOTE TO MEMBERS

In January 2016, the structure and mandate of the ACFP Board was changed from a representative governance Board to a smaller skills-based governing board. At that time, the Board adopted a new recommendation to invite Medical Student Liaisons and Family Medicine Resident Liaisons from the University of Alberta and the University of Calgary to attend meetings of the ACFP Board as contributors without voting privileges. Current Liaisons are:

#### University of Alberta

Dr. Karanpreet Bath, Family Medicine Resident  
Ms. Roja Suthaker, Medical Student

#### University of Calgary

Dr. Munib Ali, Family Medicine Resident  
Ms. Emily Cox, Medical Student

See **Appendix A and Appendix B** for the Nomination of the incoming President-Elect and Board Director.

### MOTION

That the Membership of the Alberta College of Family Physicians approves the recommended nominees for the 2024 ACFP Board as determined through due process and assessment by the Governance Advisory Committee and recommended by the current Board of Directors.
