

DECLARATION

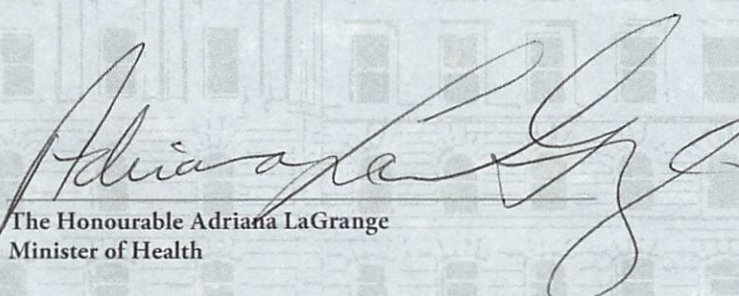

WHEREAS: Albertans trust and rely on family doctors to provide high-quality primary health care.

AND WHEREAS: Family physicians play a vital role in the health system by supporting patients through family practice, teaching, and research;

AND WHEREAS: World Family Doctor Day is an excellent opportunity to celebrate and acknowledge family physicians for the comprehensive care they provide patients, families, and communities in Alberta.

AND WHEREAS: The Government of Alberta commends the efforts of the Alberta College of Family Physicians to increase awareness and recognition of the role of family physicians in our province.

THEREFORE: THE HONOURABLE ADRIANA LAGRANGE IS PROUD TO DECLARE MAY 19, 2026, AS WORLD FAMILY DOCTOR DAY IN ALBERTA.

The Honourable Adriana LaGrange
Minister of Health
